Marina Krasnitskaya:
Picture "Experience", on stretcher frame

€470.00

Product no.: IN-828915.KR

Krasnitzkaya's "Experience", according to the artist, shows a double perspective on life. While the woman owes her inner contentment and wisdom to both the painful and the beautiful life experiences that have made her strong and serene, the child seems almost absent-minded as it gazes fascinatedly at a beetle. It insists self-confidently on having its own experiences - life with all its facets lies before it.

Reproduced using the Fine Art Giclée process directly onto 100% cotton artist canvas and mounted on a stretcher frame. Limited edition of 199 copies, numbered and signed by hand on the back. Size 80 x 80 cm (h/w). ars mundi Exclusive Edition.
