

Stud earrings "Yin and Yang", gold-plated version

€168.00

Product no.: IN-308211

According to Chinese natural philosophy, Ying and Yang are the two primary forces of the cosmos, intertwined in a circle that symbolises absoluteness. Yin is the receptive female element, and yang is the active male element. Together, the two give birth to all things in the world. yin and yang complement each other as long as they are in harmony.

Diameter 2.2 cm. Gold-plated 925 sterling silver.
