

Corry Ammerlaan: Garden sculpture "A New Beginning" (without column), bronze

€4,500.00

Product no.: IN-891486

"A New Beginning" combines the human figure with the natural motif of the leaf. Together they form the shape of a dewdrop, a symbol of life that brings together human beings and nature. The dewdrop not only stands for the life-giving water, but it is also for the morning. The motif of the morning is connected with the sunrise, the daily new beginning and therefore also with any form of beginning - and with the chances and possibilities that arise during this process.

Bronze, cast using the Lost-Wax-Process, elaborately patinated. Signed. Column not included. Size 104 x 35 x 51 cm (h/w/d). Weight approx. 28 kg.
