

Michael Becker: Sculpture "The Model", bronze

€1,480.00

Product no.: IN-818312

Becker's sculpture adds a third dimension to his two-dimensionally formulated picture "Dazzling Appearance". The effect here is also well-calculated: it appears both graceful and voluptuous in its forms and is at the same time of great elegance, which is further emphasised by the contrast of the highly polished body and the dark patinated robe.

Edition in fine bronze. Cast using the Lost-Wax-Process, partly patinated and polished. Limited edition 199 copies, signed and numbered. Size diabase pedestal 3 x 7 x 6 cm (h/w/d). Total size 29 x 7 x 6 cm (h/w/d). Weight 1.1 kg.
