

August Macke: Picture "Reading Man" (1914), framed

€380.00

Product no.: IN-787683

August Macke, with his typical lush colours, usually narratively includes people in his compositions. Here, for example, the man reading the newspaper seems to barely notice the surrounding nature. In this way, he directs the viewer's eye to the landscape. Original: Oil on canvas, Museum Ludwig in Cologne.

High-quality reproduction using the Fine Art Giclée process, drawn by hand on canvas and stretched on a stretcher frame. In fine solid wood framing. Size 53 x 74 cm (h/w).
