What's my line? - with the work of Guillermo Forchino. Because of his creations full of wit and irony, the Parisian artist Guillermo Forchino is one of the best-known cartoonists in France. He personally crafts his sculptures manually piece by piece from porcelain-like resin cast. The objects are then elaborately hand-painted, signed and individually numbered!

"Chef du cuisine - The master chef": "Hhmmmmh! Exquisite, fantastique, favolosil!" When our chef tastes the dishes, it can sometimes happen that there is hardly anything left over for the guests. Size 41 x 22 x 16.5 cm (h/w/d). Weight approx. 2.8 kg. All figures are wrapped in the Forchino newspaper.
