€8,000.00

Christine Müller's mostly large-format works are combined with a cheerful and positive aura. The painter's works are always bursting with vitality and dynamism, no matter if it is a sea of flowers, a spring meadow or a pictorial translation of a piece of music by the Impressionist composer Maurice Ravel. The seemingly fleeting and spontaneous way of working with impasto brushstrokes finds its art historical reference in abstract expressionism.

Mixed media on canvas, 2019. Signed. Unframed. Size stretched on stretcher frame 130 x 190 cm.
