In Krähmer's pictures, the essential element is not the landscape but rather the atmosphere it conveys. It is about the silence, the almost meditative devotion that his works exude. He creates his works using the resin oil glaze technique. This creates paintings that appear almost photorealistic.

Original: Oil on canvas in a complex resin oil glaze technique.

Giclée print on canvas. Limited edition of 199 copies, numbered on the back and signed by the artist. Mounted on a stretcher frame. Stretcher frame size 130 x 85 cm. Framed in a precious solid wood studio frame with a silver shadow gap. Size 135 x 90 cm.
