

**Joseph F. Askew:
Sculpture "Unicorn" (2015), bronze version partially gold-plated**

€7,480.00

Product no.: IN-821204

A motif that could not be more typical of Fantastic Realism, and at the same time a reverence to the history of art: Askew's unicorn is unmistakably similar in shape and pose to the famous horse depictions of Leonardo da Vinci and Theodore Gericault.

Edition in bronze, cast using the Lost-Wax-Process. Patinated and polished by hand. Partially gold-plated with 24-carat. Numbered, signed and hallmarked with the foundry stamp. Size 36 x 40 x 12 cm (h/w/d). Limited ars mundi Exclusive Edition of 49 copies.
