

Petra Waszak: Necklace "Garnet"

€258.00

Product no.: IN-943614

The garnet is characterised by a mysterious dark red. As a precious gemstone, it was particularly popular in jewellery design in the 18th and 19th centuries. This delicate three-row necklace made of faceted garnet beads is exclusive yet suitable for everyday wear.

Garnet and 24-carat gold-plated brass. Adjustable length from 43-48 cm. Lobster clasp with decorative ornamental element with the artist's signet.
