He was the romantic of his time. In his work, we sense the touch of infinity in which the painter stakes out spatial and human boundaries. His expressive style often oscillates between meticulous depictions of nature and moods that shift into the allegorical or symbolic.

Original: c. 1820, oil on canvas, 34 x 44 cm, Hermitage, St. Petersburg, Russia.

Original Dietz replica. Oil on canvas in 85 colours. Limited edition of 950 copies.
