

Jewellery set "Tigris"

€188.00

Product no.: IN-892701

The "Tigris" jewellery set is inspired by ancient Egyptian jewellery, which was often used as a talisman to bring good luck, as the Egyptians believed in the power of gold and various gemstones. Made of black onyx and red carnelian stones, combined with gold-plated tin elements.

Necklace: two strands. Length 45 cm. Lobster clasp.
Earrings: length 3.9 cm each.

The jewellery set includes a necklace and earrings.
