Pablo Picasso:
Picture "The Lovers" (1923), framed

€270.00

Product no.: IN-699703.R1

For this tender declaration of love, which Picasso painted in his "classical" period, the artist ingeniously combines the two driving forces of his life: art and love.

We present perhaps his most romantic painting as a special edition: a limited ars mundi art edition featuring the finest reproduction of the motif on heavy Chagall Insize paper. There is currently no other reproduction of this world-famous painting on the art market that does justice to the significance of this work through loving quality. Therefore, we decided to publish this edition together with the Picasso Estate, Paris.
Original: Oil on canvas, The National Gallery of Art, Washington DC, USA.

Limited to 1,000 copies, framed in a sophisticated, softly shimmering golden solid wood frame, glazed. Size 61 x 47 cm (h/w). © Picasso Estate, Paris, 2008. ars mundi exclusive.
