Product no.: IN-769451

The renaissance of Art Nouveau sparkles with perfectly shaped fantasy. The anchor chain and the pendant of the "Noblesse" necklace are made of 925 sterling silver and have an antique patina finish. An Australian solid opal and a slightly oval, hanging freshwater pearl make a grand entrance in the central section. Adjustable length from 42-45 cm. Pendant 3.5 x 2.5 cm (w/h).
