Wunderlich's diverse skills as an artist include the design of jewellery objects. The "Silver Swing" brooch shows the wing motif that recurs in Wunderlich's work. Is it the wing of Nike or the guardian angel? As a "celestial principle," it symbolises freedom, expansiveness and spirit. The Silver Swing piece of jewellery impresses with its high-quality workmanship and is the perfect addition to an elegant appearance not only for a festive evening but also during the day.

Brooch made of 925 sterling silver, patinated and polished. Edition: 999 copies, numbered, signed, and silver stamped. Length 9 cm, width 2.5 cm.
