

Tilman Riemenschneider: Relief "Adoration of the Magi", cast

€1,280.00

Product no.: IN-416015

With a carving depth of approx. 5 cm, this work, also known as the "London Adoration Relief", is the most beautiful surviving high relief by the master. It was probably the left-wing of the no longer existing Rothenburg Annen Altar. In 1855 the original was sold to the British Museum and is now displayed in the Victoria and Albert Museum, London. Absolutely authentic ars mundi museum replica of outstanding quality.

Polymer bound cast, hand cast and hand patinated. Size 105 x 57 cm, weight 28 kg.
