The flower frenzy: This graphic by Daniela Flörsheim shows the coexistence of merging blossoms and panicles in warm red tones and sun-drenched pastel shades. The colours are sometimes in the foreground, at other times delicately accompanying each other.

Exclusively at ars mundi, we offer you this Flörsheim work as a colourful Giclée print on handmade paper. The colours are particularly brilliant due to the high resolution and the excellent paper quality. Limited edition of 199 copies, numbered and signed by the artist. Unframed. Sheet size 80 x 80 cm.
