

Leonardo da Vinci: Sculpture "Schema delle Proporzioni", bonded bronze version

€880.00

Product no.: IN-379934

Leonardo da Vinci's famous pen and ink drawing from one of his legendary notebooks have become a worldwide trademark for progress, science and medicine. His anatomy study as a three-dimensional work of art, exclusively at ars mundi. Outstandingly hand-cast using the Lost-Wax-Process and mounted on a diabase pedestal with cut glass. Edition in polymer cast stone with a bronzed surface. Patinated and polished by hand. Size 30 x 32 x 7 cm.
