

Friedensreich Hundertwasser: Picture "(936) The 30 Day Fax", framed

€660.00

Product no.: IN-846164.R1

In January 1992, Hundertwasser sent A4 fax from the Antipodes/New Zealand to Vienna every day for thirty days. The artist then mounted copies of these thirty faxes on linen and painted them in mixed media. Hundertwasser saw this picture as a great painterly adventure: "The thematic material is decidedly of a fairy-tale nature, as if from a children's book. The dogmatic world of architecture refuses to concede that the architecture most fitting to man is to be found in children's drawings and fairy-tale books."
