

Jewellery set "Structure"

€390.00

Product no.: IN-875826

A clever play of strong contrasts. Naturally shaped pendant and stud earrings made of 925 sterling silver, gold-plated and oxidised silver. Hammered and granulated surface.

Necklace: multi-row stainless steel wire with hook clasp. Length 45 cm. Pendant Ø 3.2 cm. Stud earrings: diameter 1.3 cm each.

The jewellery set includes a necklace and stud earrings.
