

Robert Hettich: Picture "Northern Lights" (2015)

€1,100.00

Product no.: IN-882624

The works of Robert Hettich, born in 1964, oscillate skilfully between abstraction and concretisation, between colour impression and figurative representation. The motifs remain recognisable, but the main effect is a mood. It is an emotion that is conveyed to the viewer precisely through the groups of people dissolved in colour surface and composition. With the large-format "Northern Lights" from 2015, the effect is further enhanced by the reproduction on Alu-Dibond behind 3 mm thick acrylic glass.

Reproduction on Alu-Dibond behind 3 mm thick acrylic glass. Limited to 199 copies and numbered. Hand-signed certificate included. Size 90 x 120 cm (h/w). With suspension device. Due to the smooth surface, mirror effects may occur depending on the incidence of light.
