Jewellery set "Sea of Blossoms"

€258.00

Product no.: IN-904905

"The earth laughs in flowers", says the American writer Ralph Waldo Emerson. A sea of delicate silver blossoms assembles to form this enchanting jewellery set. It is reminiscent of blossoming summer meadows and not only puts a smile on the wearer's face. Made of 925 sterling silver. Necklace: length approx. 43 cm, lobster clasp. Earrings: length approx. 2 cm each.

Jewellery set includes necklace and earrings.
