€5,600.00

Product no.: IN-394037

Paul Wunderlich has created a contemporary art classic with his "Dancer in a Flower Dress". The numerous details only become apparent little by little: the corset, the necklace, the fantastical hairstyle and, of course, the dress trimmed with calla flowers. Every little detail blends into a large form. It is the sublime that makes Wunderlich's dancer so incomparable. The bronze caster also had to put all his skills to the test: "This is one of the most complicated castings I have ever made."

Fine bronze sculpture, cast by hand using the Lost-Wax-Process. Patinated and polished by hand. Height 56 cm, weight 7.5 kg. Edition: 390 copies, numbered and signed.
