

Bangle "Elegance"

€184.00

Product no.: IN-762819

Anyone who appreciates an elegant style will love this piece of jewellery. The bangle consists of 85 - partially gold-plated - stainless steel strands combined with elements of gold-plated 925 sterling silver. The rhodium-plated beads are also partially gold-plated and can be arranged differently again and again. A refined silver clasp with a magnetic core ensures a secure hold and perfectly complements each piece. Length 18 cm.
