

Lars Teichmann: Picture "Yacht Club-6" (2023) (Unique piece)

€9,600.00

Product no.: IN-944558.00

The painting offered here is from the "Yacht Club" series. Historically, the yacht is considered a sporty expression of luxurious, adventure-seeking world exploration and a collector's object.

In Lars Teichmann's paintings, the reduction of colour to warm greys and black creates a modern, monochrome plane, contrasted by selectively placed colours. A hint of maritime danger, wanderlust, and a dreamy longing for distant places are concealed within the work cycle.

Acrylic and lacquer on canvas, 2023. Signed on the back. Unframed. Size stretched on stretcher frame 140 x 100 cm as shown.
