Product no.: IN-924549.R1

Andreas Weische is artistically engaged in many different disciplines. For example, he is an etcher, sculptor and porcelain painter. For his oil on canvas works, Weische, who was a student of greats such as Fabius von Gugel and Ernst Fuchs, is considered a master of the fantastic. His etchings, however, are equally impressive. They often depict a specific nature - for example, this little owl is represented in its natural form and gains its "symbolic" meaning as an owl embodying wisdom entirely through its own motif.
