

Gustav Klimt: Picture "Italian Garden Landscape" (1913), framed

€398.00

Product no.: IN-702465.R1

Klimt mostly designs his pictures as allegories of life. The lush garden landscape under the Mediterranean sun, for example, symbolises life - a colourful garden in which the most beautiful blossoms sprout in unexpected places. Klimt chose the square size so that the aura of the picture could unfold evenly in all directions.

Original: oil on canvas, Kunsthaus Zug.

The original artwork was transferred directly onto 100% cotton artist canvas for a brilliant, authentic reproduction, using the Fine Art Giclée process and mounted on a stretcher frame. Limited edition 499 copies, numbered on the back. In sophisticated black-gold gallery frame with matt patina. Size 75 x 75 cm. Exclusively at ars mundi.
