

Christoph Fischer: Sculpture "Barn Owl" (2022), version bronze grey patinated

€2,480.00

Product no.: IN-941370

Christoph Fischer groups his works into different series. There is, for example, his series of boats and fish, grouped under the title "Depth", then there are mythological works and, for some years now, almost archaic-looking, shield-armoured guardian figures. Fischer has always remained faithful to animal sculpture and has achieved great mastery in it.

His barn owl, depicted in perfect proportions and only slightly abstracted, looks at the viewer with piercing eyes and seems to say with the wisdom of all owl birds: "You think you know. But I am wise."

Fine bronze sculpture, cast using the Lost-Wax-Process, chiselled by hand and patinated grey. Limited edition of 99 copies, numbered, monogrammed and hallmarked with the foundry and ars mundi stamp.
