€460.00

Product no.: IN-747506.00

The edition, which was produced after the group exhibition "Back to Black", shows the simple but unambiguous German word NEIN (English: NO) - on the finest paper. The model was a mobile phone photograph by Süßmayr, with which he captured the protest message scratched into a wall and then translated it into his own handwriting.

Digital print 2010, edition of 50 copies + 21 A.P. copies, numbered and signed on the back. Sheet size 70 x 50.3 cm.
