€1,280.00

Product no.: IN-735179

Almost 100 hand-forged elements made of flamed chrome, steel, polished steel and bronze are interwoven on a steel wire like a root system. The two-part relief "Interlude" has a dynamic, almost pulsatingly lively effect when illuminated in a well-thought-out way. The total length of the 2-part sculpture is approx. 170 cm (depending on the suspension). Weight approx. 5 kg.
