

Loriot: Sculpture "The Little Thinker", porcelain version

€280.00

Product no.: IN-840083

ars mundi presents Loriot's famous "The Thinker" as a three-dimensional multiple. "The Thinker", Loriot's subtle response to the famous sculpture of the same name by the French sculptor Auguste Rodin, is a real highlight. It is even more than that: it is an enrichment of Rodin's idea: in Loriot's work, the thinker not only possesses focused thoughtfulness, he has been enriched by another great gift - a silent sense of humour!

Sculpture made of hard porcelain. Fired at 1.400 °C. With signature. Size 12 x 18.5 cm (h/w). Weight 440g.
