

Marina Krasnitskaya: Picture "Dreams of the Sea", on stretcher frame

€390.00

Product no.: IN-788129.KR

Krasnitskaya captures understanding, love and absolute devotion in the amber eyes of her female subject. She shows her secure yet vulnerable in the moment of her dreams. This is also achieved through Krasnitskaya's typical technique with dense and transparent pictorial elements. The painter chooses an interior with a view of the sea as a symbol of hope for days of happiness to come - days by the sea.

Reproduced using the Fine Art Giclée process directly on artist's 100% cotton canvas and mounted on stretcher frame. Limited edition 199 copies, numbered and signed by hand on the back. Size 50 x 70 cm (h/w). Exclusively at ars mundi.
