Product no.: IN-940802

The colourful HOMMAGE À HUNDERTWASSER collection by FREYWILLE was inspired by the artist's extraordinary, vibrant designs and their central elements.

The bangle combines craftsmanship with a modern shape and is a stunning armpiece full of sparkle. The two fire enamel cabochons in graduated sizes show off the fire enamel art in a particularly beautiful way. Its spring clasp makes the bangle easy to open and close and fits comfortably on the wrist. An attractive and versatile jewellery piece that captures attention both day and night. Brass 24-carat gold-plated. Diameter 5-5.6 cm.

Each piece of jewellery is a handcrafted work of art of the highest quality, featuring the precious material fire enamel. Fire enamel consists of liquid glass with mineral additives, which is melted at very high temperatures with 24-carat gold dust and high-quality colours.
