

Necklace "Scarab"

€128.00

Product no.: IN-720434

In ancient cultures, jewellery often held deep symbolism. Pharaonic Egypt produced enchanting gems that still fascinate today.

The Egyptians considered the scarab to be a symbol of resurrection. It offered special protection when it was made of "divine" gold and combined with the "sacred" lapis lazuli stone. Necklace made of gold-plated tin beads and 10 scarabs (1 x 1.5 cm) as well as lapis lazuli beads. Length 46 cm.
