

Necklace "White Jade"

€128.00

Product no.: IN-758951

Wild passion restrained by white innocence. This necklace made of white jade, reddish carnelian and gold-plated elements has sparkle and personality. Gemstones have occupied people's imaginations for thousands of years. While jade is said to have healing powers and to give the wearer longevity, carnelian symbolises friendship, courage and self-confidence. Length 46 cm. Lobster clasp.
