

Necklace "Findings"

€148.00

Product no.: IN-876921

When you look at the rich combination of rock crystals, amber, freshwater cultured pearls, dark pebbles and diopside, you can quite literally hear the sea sound. The precious stones are strung on a double-row stainless steel wire. Each piece of jewellery is unique, and slight variations in shape and colour are possible. Length approx. 52 cm. Hook clasp made of 925 sterling silver.
