

Carl Spitzweg: Sculpture "The Bookworm", cast metal version

€720.00

Product no.: IN-458302

Spitzweg's librarian stands on a wobbly chair at a dizzy height, deeply absorbed in his reading. He has forgotten the rest of the world and the other books he is carrying - and he has completely ignored his precarious situation... Our sculpture reproduces Spitzweg's original in every detail, right down to the folds, buttons and trouser bows. An ideal object for all bookworms and literature lovers!

Sculpture model after the oil painting from the Museum Georg Schäfer, Schweinfurt, painted in 1852. Size 7,5 x 27,5 x 10 cm (w/h/d). Edition in cast metal with bronze patina. Cast by hand, patinated and polished. ars mundi Exclusive Edition.
