The effort that goes into these colourful ceramics is enormous. The basic form is finished with fine decorative details which are then hardened in a first firing. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

Figures "Mother Cat with Kitten": "Oh how cute", this mother cat may lovingly think as she watches her offspring. Fired several times, covered with gold and platinum in elaborate handwork and rich in colour. Enamel glaze. Size cat mother 13.8 x 7 x 9.5 cm (h/w/d). Size cat child 8 x 6 x 7 cm (h/w/d). Both cats are only available as a set.
