Jean-Étienne Liotard:
Miniature porcelain picture "A Lady Pouring Chocolate" (c. 1744), framed

€89.00

Product no.: IN-704129

For centuries, miniature pictures made of fine porcelain were produced mostly for aristocratic collectors. This miniature painting bears a museum masterpiece that is transferred by hand onto genuine Thuringian porcelain, fired twice and mounted on a pastel-coloured passe-partout. Afterwards, the shiny gold edge is applied by hand with a metal leaf. The valuable overall picture is rounded off by a solid wood frame that has been primed and sanded several times. Size 9.7 x 10.8 cm. Original: Oil on canvas, British Museum, London.
