Product no.: IN-838156

Art Nouveau deluxe: The art historical period of Art Nouveau, which emerged at the turn of the 19th and 20th centuries, has significantly influenced and shaped areas such as architecture, art and the decorative arts. The jewellery designer Petra Waszak has taken up this theme and designed an Art Nouveau series exclusively for ars mundi.

The dragonfly with its flashing iridescent light reflections was considered a symbol of feminine beauty. This hand-coloured necklace perfectly captures this image. Necklace made of onyx, green agate and 24-carat gold-plated brass. Adjustable length 43-48 cm with lobster clasp. Pendant made of chalcedony with gold-plated brass. Size 3.5 x 4.5 cm (h/w).
