**€1,005.00**

**Product no.: IN-940803**

The colourful HOMMAGE À HUNDERTWASSER collection by FREYWILLE was inspired by the artist's extraordinary, vibrant designs and their central elements.

Luna Piena shines with inspiration from the harmony of the circle: a pendant that shows the shiny fire enamel at its best. Thanks to its large-scale design, the artistically designed motif presents itself in all its splendour. A perfect way to wear the power of fire enamel close to your heart. Brass 24-carat gold-plated setting and chain. Length 78 cm. With lobster clasp. Diameter pendant 4.8 cm.

Each piece of jewellery is a handcrafted work of art of the highest quality, featuring the precious material fire enamel. Fire enamel consists of liquid glass with mineral additives, which is melted at very high temperatures with 24-carat gold dust and high-quality colours.
