In ancient mythology, the owl is the companion animal of the goddess Athena and represents not only wisdom and intelligence but also luck and victory. The characteristic heart-shaped facial veil identifies this specimen as a barn owl.

The bronze figure, cast using the Lost-Wax-Process and patinated by hand, impresses above all with its naturalistic design and the richness of detail in the feathers. Size incl. pedestal 43 x 13 x 16 cm (h/w/d). Weight approx. 4.5 kg.
