

Wooden figure "Cherub With Flute"

€240.00

Product no.: IN-941868

When looking at the impressively natural figure, it seems as if we can hear the typical soft round sound of the transverse flute, which enjoyed great popularity, especially in Baroque music. The cherub, made in traditional craftsmanship, also bears baroque features.

Made of precious sycamore wood, hand-painted and gilded with metal foil. With eyelet for hanging. Size 19 x 10 x 9 cm (h/w/d).
