

Paul Wunderlich: Sculpture "Femme assise", bronze

€5,900.00

Product no.: IN-349597

In this sculpture, Paul Wunderlich has found a new form of expression for a traditional motif: A majestically seated figurine resting alone on two narrow long pillars and held by a crescent-shaped backrest. The body forms the chair. Femininity is suggested by various elements that have become characteristic of the artist's sculptures. The body, which consists of clear geometric shapes, associates a female figure in a long evening dress.

Fine bronze sculpture, partly polished, partly patinated. Cast by hand. Limited edition of 99 copies, numbered and signed. Height of the sculpture is 29 cm. Mounted on a bronze plinth 40 x 20 x 0.7 cm. Weight 6.4 kg.
