

Chinese Coin Pendant

€88.00

Product no.: IN-744903

The ancient Chinese consulted the I Ching about the future, first with yarrow and later with coins. Together with the jade stone, which was said to have life-prolonging powers, this pendant testifies to the ideas of luck in ancient China: long life in prosperity. Carnelian, jade disc. Coin and jade bead with engraved characters on a black fabric cord (70 cm). Pendant diameter 5 cm, length with bead 6.5 cm.
