Blue fire bowl (version without granite stele)

€990.00

Product no.: IN-801468

A noble piece of garden design: fire bowl made of blue patinated bronze in the shape of a flower calyx. It is equipped with a combustion chamber for using bio-ethanol or wood. However, the patina may fade during this process. Diameter 33 cm, height 29 cm, weight approx. 7.8 kg.
